About Us

Introducing Sagun Proteins Pvt. Ltd., the leading manufacturer, supplier, and exporter of Industrial Grade Acid Casein and Edible Grade Acid Casein in India since 1999. Our commitment to excellence is reflected in our diverse range of Casein grades tailored to meet market demands. Equipped with cutting-edge plant and machinery, our experienced technical team ensures consistent quality year-round. With over 25 years of industry experience, we have swiftly become the largest industrial Casein manufacturing company in India. Situated in Madhya Pradesh, a milk-rich region, our strategic location ensures nationwide connectivity and prompt delivery. Choose Sagun Proteins Pvt. Ltd. for unparalleled quality and reliability in the Casein industry.

Our Products

INDUSTRIAL GRADE CASEIN

Our Industrial Grade Casein is renowned for its versatile functional properties, including quick drying, water binding, adhesion, viscosity, heat stabilization, binding, emulsification, and foaming. Our product line comprises two primary grades:

- Grade A: Up to 85% protein content.
- Grade B: Up to 75% protein content.

EDIBLE GRADE CASEIN

Our Edible Grade Casein boasts high nutrition, low fat and cholesterol, great flavor, and freshness. Rich in protein and carb-free, it's a healthy choice. Up to 95% protein content.

Our Customer Segments

- Nutraceuticals & Enzymes
- Safety Match
- Paper Coatings & Binding
- Leather Finishing Chemicals
- Glue & Adhesives
- Protein Hydrolysate
- Paints
